@OntScienceCtr at #Cultural\_Collisions begins! Welcome @utschools! @ParticleFairy gets us started! @ArtatCMS @CMSexperiment @ATLASexperiment @uoftphysics @LIGO

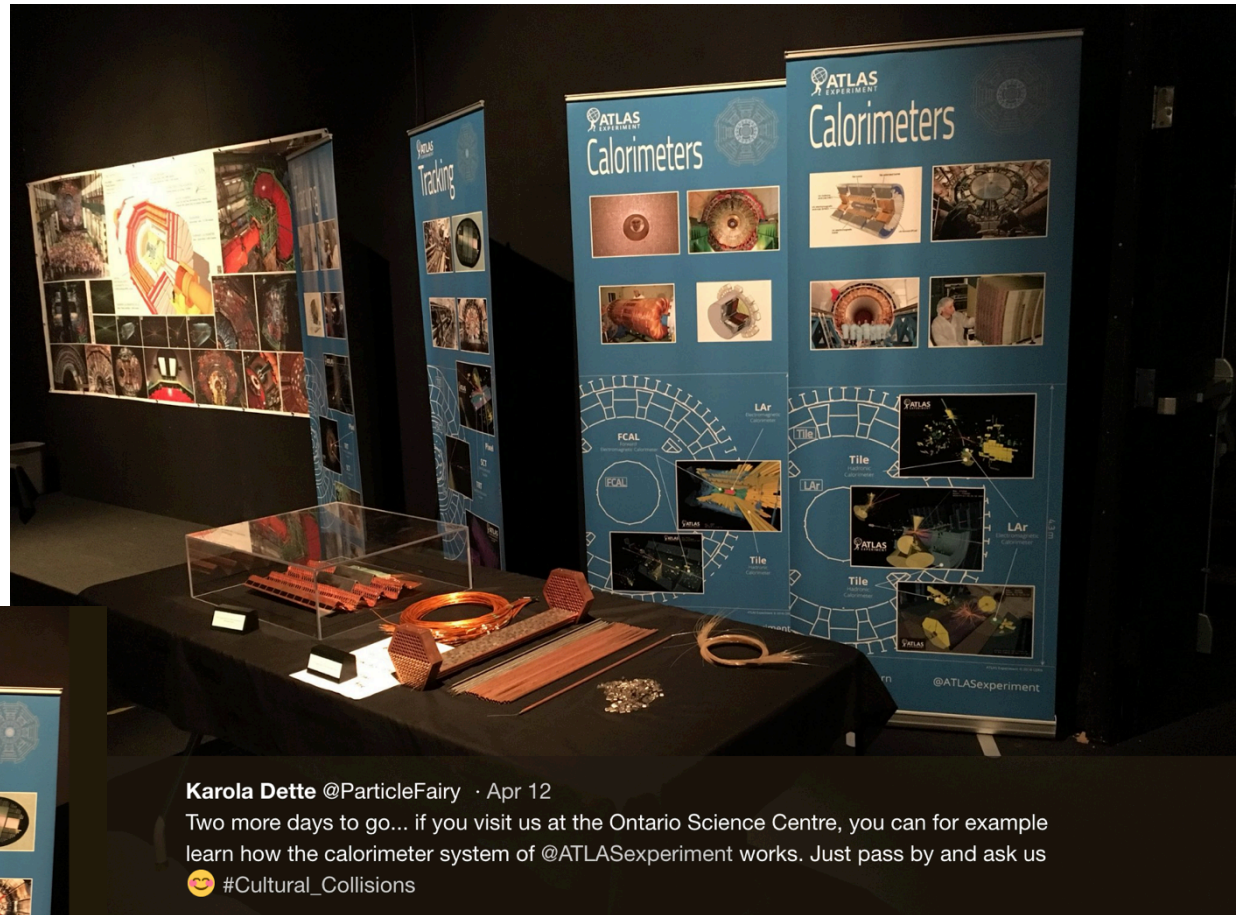

**Wendy Taylor** @taylorw2000 · Apr 10  
 I'm @OntScienceCtr for the #Cultural\_Collisions exhibition: Art meets science.  
 @ParticleFairy is telling us about the @ATLASexperiment at the @CERN LHC.  
 Karola Dette

 Day 3/5... that means you still have three days left if you want to see the #Cultural\_Collisions exhibition at the Ontario Science Centre! You were always wondering how the @ATLASexperiment tracks particles? Pass by and ask me 😊

**Karola Dette** @ParticleFairy · Apr 12  
 Two more days to go... if you visit us at the Ontario Science Centre, you can for example learn how the calorimeter system of @ATLASexperiment works. Just pass by and ask us 😊 #Cultural\_Collisions

**Karola Dette** @ParticleFairy · Apr 12  
 Let's get the students even more excited for gravity with the talk: "The biggest waves in the universe" given by @DamianPopePI #Cultural\_Collisions @Perimeter #scicomm
